

Sermon Notes

Introduction

As we study 1 Peter 5:1–4, we will enrol in a course of shepherdology that will answer four important questions.

These four questions will help us understand God's plan for church leaderships so that, together, we can pursue continuing spiritual maturity as a body by pursuing God's plan that uses mature leaders to make mature churches.

- 1. Who does God want to lead the church?**
- 2. What does God want that leadership to look like?**
- 3. How does God want those leaders to lead?**
- 4. What should motivate those who lead?**
